Department of Vacation Rental Compliance

IMPORTANT NOTICE – YOUR ACTION IS REQUIRED

July 31, 2017

Subject: Submittal of Contract Summary

Dear Owner/Agent of a Vacation Rental Property,

Thank you for your continued attention and compliance with Ordinance No. 1918 that became effective April 16, 2017. As you are aware, there are new operational requirements for owners and agents specific to limiting the use of a property in any calendar year (see Section 5.25.070(b)), and submitting a summary of each written Contract prior to occupancy in a form approved by the Enforcement Official (see Section 5.25.070(h)).

This letter is to notify you that our Department has prepared an on-line tool for your submittal of the Contract summary. **You will be required to begin submitting your Contract summaries using this tool for all guest stays that have a check-in date of September 5, 2017 or later.** Providing the Contract itself is not necessary and will not be accepted as a Contract Summary.

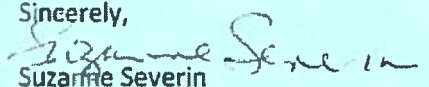

We appreciate that your time is valuable and this Contract summary tool has been designed with that in mind. You will be receiving an email link in the next thirty (30) days from our office that you will use to access the Contract summary form.

To prepare in advance for submittal of Contract summaries, we suggest you do the following:

- Preview a PDF copy of the Contract summary form by visiting our website at www.psvacationrentalcompliance.com. You will find the form under Ordinance No. 1918 Toolkit. Note that there are two (2) different forms: one for Owner Operators to complete, and one for Agency Operators to complete.
- Know your current Contract count; when you submit your first Contract summary, the Contract number you select on the form will represent your number of guest stays to date. For example, if you have had a total of twenty (20) guest stays already since January 1, 2017, and you are reporting on your Contract summary your twenty first guest stay, on your first Contract summary you must select Contract #21.
- Make a plan for submittal of Contract summaries that ensures they are all submitted after booking and prior to the start date of the occupancy. Early submittal is fine; please note you will also use this form if a change occurs, such as a cancellation or relocation of the guest to another property.
- If you are interested, make sure you have submitted a Friends and Family List (optional form found at www.psvacationrentalcompliance.com) to the Vacation Rental Compliance Department office. These guest stays are not included when counting annual contract limits. Friend and Family occupants must comply with Vacation Rental Rules and Regulations under Ordinance No.1918, Vacation Rentals. This form may only be updated once annually when you renew your Vacation Rental Registration Certificate.

On the back side of this letter, Page 2, we have included some additional information from the Ordinance that may be helpful. For a complete copy of Ordinance No. 1918, please visit our website at www.psvacationrentalcompliance.com. As always, please do not hesitate to contact us should questions arise.

Sincerely,

Suzanne Severin
